Road Trip to see the Braves vs. L.A. Aug. 22nd

AUGUST 1998

Well, summer is winding down, where did the time go? July was a busy month and we have several things planned for the coming months. Bryan & Joy Bobo did a great job with our rafting/kayak trip, it was very adventurous! Music on Main was once again a lot of fun and not quite as much work this year. Don't know our total haul \$\$\$ yet, we had cool, stormy weather but no rain until it was over and a great gathering at Basil's afterward. We had a former club member drop by to surprise us. Sandi Cronic is back from California to stay for awhile and she was a big help at that beer wagon. Thanks to all who came and supported our club, and a special thanks to Doug Tinsley for getting the bodies and some organization together - once again we pulled it off without a hitch (Pieter Groot sure did like the pockets in his apron - you had to be there). We're off to see the Braves on the 22nd and we have our trash pickup on September 19th. We are planning our annual Progressive Dinner October 3rd on Lake Bowen, and our golf outing at Hickory Knob the following weekend, October 9th - 11th. Read about it in your newsletter!!

Our Mini-Social at Captain Tony's was a smash - it was great to have so many of you there and what a treat to have both of the Wagner couples join us. Hats off to Jim Steffee for arranging a first class "debut" social. The Board of directors has been graced with the addition of Tim Corbin who will assume the position as Special Events coordinator - nice to have you back Tim.

Don't forget our club meeting at the Arts Center on Thursday, August 6th. It's the BLENDER BLITZ, and I plan to sample everyone's concoction (by the way, I make killer Margaritas). So, let's get psyched - and start off our late summer/early fall club meeting with everyone in attendance (unless you're on vacation, and then you are excused!). See you soon,

HERE KITTY KITTY KITTY

HELP! I need to find a good home for 3 adorable kittens. One is 10 months old and the other two are 10 weeks old. Two of the kittens are extremely playful and loving and the other is as playful but more quiet and on the shy side. All the kittens are very good with children. Please help me find a good home so they do not end up at the Spartanburg Animal Shelter. I will even bring them to your home. Call me at 592-3405.

Lake Louise/Banff Trip -- Feb. 20 - 27, 1999

Everyone should have their Lake Louise/Banff trip application. Please get your application in to LTA as quickly as possible. We have 40 spaces (20 rooms) booked and this is split evenly (based on our survey) between lodging at (1)Chateau Lake Louise/Banff Springs hotels and staying at the (2)Banff Park Lodge. We currently have 5 1/2 rooms taken out of 10 for option 1 (Chateau/Springs) and a half room taken out of 10 booked for option 2 (Banff Park). Those who know which option they wish to choose need to get their reservation in to LTA to avoid disappointment.

Our air carrier is Delta leaving out of Greenville/Spartanburg @ 6:30 AM Saturday 2/20/99 arriving in Calgary Alberta (2 hour time change) around 11:05 AM putting us in Banff mid afternoon. Our return is scheduled for 1:07 PM Saturday 2/27/99 out of Calgary arriving back in Greenville/Spartanburg around 11:05 PM. These are the tentative flight times which will normally change somewhat during seven months before we leave.

The price for the Chateau Lake Louise/Banff Springs Hotels is \$1176 (Land only \$726) and for the Banff Park Lodge is \$901 (Land only \$451). There is a \$35/\$20 refundable GST Tax included in both the above options. Because we are less than 25 at each hotel these refunds need to be handled by each individual. However, if LTA can get the 25 minimum waved they will get our refunds. The total price is for air fare, lodging, ground transfers and park fee.

Currently one US dollar will buy 1.47 Canadian dollars. When we went to Whistler in 1996 the exchange was about 1.35. The way to get the best exchange rate is to use a major credit card for your purchases.
