Joy's Journal

Yes, my fellow members, here is another installment. I would like to express a special "Thank You" to all those who helped so much with the annual PIG ROAST. Thanks to Elkie for allowing us to use her place, Ted for cooking (all day), the meat cutters – Bryan, Jill, Vilma, and Robert, Pedro for his usual and masterful auctioneering, and to the rest of the board who helped set up and clean up. We couldn't have done this without everyone's help. All of you are great friends as well as devoted board members. I certainly hope all club members will express their appreciation to the board members for their time and hard work to provide great events and make this a great club.

July is heating up fast, so "cool off" at the July 1st meeting's 'BLENDER BASH' at 7:30pm at the Art Center. Many are already planning their "house special" for your enjoyment. Feel free to bring your own favorite concoction, and join in the fun (the club will provide a limited number of liquors, you bring the ingredient's).

Don't forget MUSIC ON MAIN is on July 8th. Contact Alison if you can help work (and drink free beer). Guaranteed fun!

Charles has a wonderful mini-social planned at Cantinflas Mexican restaurant in Greer. This is definitely a "Do Not Miss", because the food is 'mahvelus' (Bryan and I frequent this place).

BYOT and BYOM (bring your own towel and bring your own meat) to the July 16th pool party at Tim Corbin's house.

And last but certainly not least, there are tickets still available for the Greenville Braves night on Friday July 23rd. Going quick!

A special reminder for board members: the July board meeting has been changed to July 22nd. Mark your calendar!

Yes, July is a busy month, with lots of events to pick and choose from. See you at the July meeting with a cold frozen beverage in hand.

What follows is a condensed version of an E-Mail that was recently circulated among Crescent members who have E-Mail addresses with a request to pass it along to as many of our club members as possible:

Mike Milligan, the Division One Race Director, was hurt in April while skiing in Vail. Since then he has been unable to work due to his injuries, which include his right elbow and right ankle.

Then, on May 16th, his wife Sharon and two daughters, Mikala (4 years old) and Ashley (14 months old) were involved in a serious car wreck when the tire on their van blew. Both girls received very serious spinal injuries and had to have their spinal cords fused (welded together) in the upper back/neck area. It has been reported that Mikala's spinal cord was actually severed. However, she has apparently experienced some feeling in the bottom of her foot. Until recently, she has had no feeling below her waist. Both girls are in the Pediatric Neuro Rehab. Center in Delaware. Sharon is with them.

The Milligan's church, Holy Trinity Lutheran Church in Hickory, NC, has set up a fund to assist the Milligans. The Crescent race teams have already started making money donations. And now, Rich Mead has issued a challenge. Rich will match any donation made to the church fund for the Milligans, through the end of July 1999, up to a cumulative total of \$10,000. Rich states that this may sound like a lot but if every Crescent member can make a donation, it would amount to less than the cost of a day's lift ticket for each of us. If you decide to contribute, send your donation to the church. Do not ask the church to track your donation, as they're not set up to do so. Instead, also contact Rich and inform him of the amount donated.

The accommodations will be 2 bedrooms and 1 loft with 3 baths in each unit. These condominiums are true ski in/ski out accommodations.
