SPARTANBURG SKI & OUTING CLUB

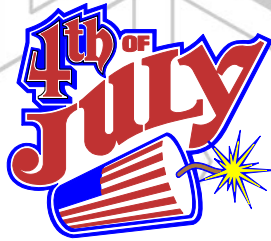

Jul 6th - Club Meeting - 6:30 PM
Blender Blitz at the Krussig's

Jul 12th - Mini-Social at Hickory Tavern

Jul 23rd - Kelsey's and Flatrock Playhouse
"You Can't Take It With You"

JULY 2000

Summer is here and the days are getting shorter again. We've had a lot of activities this month and are planning a lot for next month as well. The mini social at Hop's was a huge success. Willie Brahm, our ex-president from a while back, came all the way from Florida just to be there. We had the whole patio area to ourselves with happy hour beer prices the whole time.

The pig roast was great with the weather just perfect. Not too hot and not too cold. Special thanks go to Conni for putting it all together, to Pedro for the auction and to all the members who donated their time and effort to get things done.

Please mark your calendars for August 10th at 5:30 for Music on Main in downtown Spartanburg. This is our annual big fundraiser that lets us have the parties and outings that we participate in, many of which are subsidized by the club. It also supplies the funds for our contributions to Special Olympics and the Art Center. We need lots of volunteers to man the ticket booths and concessions. It's only a few hours and the music is free. Come out and support the club.

The next membership meeting will be at the Krussigs along with an indoor pool party, blender blitz and pontoon rides on Lake Bowen, weather permitting. Come and join us.

Flat Rock Playhouse, *You Can't Take It With You*, on July 23rd has five tickets left. First come first serve. Those that pay get the play.

The fall Roan Mountain trip is going fast. Only two bedrooms left. If you want to go you need to act now.

Anyone having any items that belong to the Ski and Outing Club, such as pots, utensils, beer taps, signs or left over members please call Doug Tinsley so that we can get all the clubs belongings centrally located. His number is 579-1051.

As most of you know our big winter ski trip is for Aspen in February of 2001. Sign up now and start saving your money. For those of you who want to get a jump on the season you may want to consider going to Steamboat for Crescents Ski Week on December 2-9. There are lots of lessons available and provides a good opportunity to get in shape for Aspen. Crescent is also sponsoring two other trips in the 2000-2001 season, one to Banff & Lake Louise on January 27 - February 3 and a late season trip to the northeast to Sunday River Maine on March 17 - 24. The Sunday River trip sounds like a real good value. Let me know if you want additional information.

Del and Shelia Haynes are heading for the Highland Games on Grandfather Mountain on Sunday July 9th. They have some additional room in their van and are willing to supply a ride for someone who wants to tag along and enjoy the games. Call Del (592-0047) if you are interested.

That's all for now. Come and join us in the activities.

New Members

This year we have had a number of new members beginning with Virginia Wilson. Virginia is married to Mark Wilson and they have two children, Jason and Kimberley. Virginia is a non-skier who is into photography and gardening. She moved here from Michigan ten years ago and is a graduate of Michigan State (go Spartans). She has a degree in interior design. Virginia also does scrapbooks for a living (you taking notes Doug?). She came to the club through Marcy.

Don and Mary Sasser went on the Utah ski trip with us. They joined the club last year. Don is from Durham and May from New York state. They have a lot of New Hampshire skiing experience. Don is a semi-retired accountant and Mary is a Nurse Practitioner. They live in Tryon and came to the ski club through the McCalls.

Kent and Lynn Davis live up in Travelers Rest near Glassy Mountain. They are animal lovers and have four dogs and three cats (don't drop off any more dogs or cats near Glassy Mountain). Both attended Auburn. Kent is into hiking and tennis and is looking for tennis buffs for the Roan Mountain weekend. They both collect mushrooms, some of which you can even eat. They are not too big on skiing, but like to party. Kent works at Cryovac.

Our newest members are the Hartlines who are both retired school teachers. They moved here from Michigan about a year ago. Joyce and Keith have three daughters and a grandson. They are non skiers and are into hiking, travel and movies. Keith is interested in getting into master gardening. Maybe he can tell me why my tomatoes don't grow. The Hartlines came to the ski and outing club through Wanda.

Don't forget the club is only as strong as the membership. Pass the word to your friends and coworkers about the activities that we enjoy in the Spartanburg Ski and Outing Club. It's a lot of fun and still the best deal around. Get them to join.

unteers who have signed up, please plan to meet at the usual corner about 5:30.

Lost and Found

As usual we had a few items found after the Pig Roast. Most have been reunited with their owners, but two have not. One is a brown photo album and the other is a man's right "Dockers" shoe. Not a pair mind you, just one shoe. It's two toned and can be retrieved by calling 592-3405.

Also there are some lost items. There were two grasshoppers attached to the house that were removed and have disappeared. I would like them returned ASAP.

And if you were one of the few (excluding Taylor and Alison) that left your cigarette butts in the yard, please come back and pick them up. Your cooperation is greatly appreciated.

Tent Rental

Don't forget our club has a 18'x20' heavy duty tent for rent. This offer is available to all club members. Rent it for your parties, church events, family gatherings or whatever you choose. Cost is \$25.00 and it's great shelter from the rain (if we ever get any) and from the sun. Contact me at 592-3405.

ASPEN / SNOWMASS
February 3-10, 2001

Our western trip is now set for next year. You will note there has been one change since the last newsletter.

We were able to contract a favorable price for Top of the Village. This is one of the premier ski-in/ski-out accommodations at Snowmass. As you know, Herb & Dagmar Lindsay spent the winter in Snowmass and Herb inspected lodging for us. Herb feels Top of the Village is the best of the ski-in/ski-outs he inspected.

You will find a flier in the newsletter with a signup sheet. Please sign up early. I would urge participants that are using frequent flier points for air travel to make arrangements now. Call me for travel details and other questions.

We Were Framed

Another Saturday night. Another evening of fun! We had a terrific group at Shamrock Lanes on the 17th! "Terrific" covers great bowlers and lots of entertainment. Our high score winner was Wanda "I do this all the time" Meadows with a 189 and most improved was Ted Mueller with a 73 pin spread with a high of 185. Barbara Rogers won most entertaining and won best sportsmanship (she said it had something to do with her age).

Thanks to all who participated and for the great turn out at the Thai restaurant afterwards. The evening even produced 2 new members, Joyce and Keith Hartline,

If you have an idea for a special event please contact me - even if it's for another bowling night!

HOW ABOUT A BUCKET OF BOAT TRASH?

The low tide special Come join us on Wednesday, July 12 at Hickory Tavern Grill & Raw Bar about 6:30 pm for an evening of seafood delights (or other fare, if you prefer). Hickory Tavern is located at 143 Fernwood Drive in Spartanburg (the old Dawg Gone), near the Fresh Market Plaza.

There will be a sign-up sheet available at the July membership meeting, or you may call me at 814-5372 or e-mail me at KimballA@msn.com for a last minute reply. The patio is reserved for us, let's hope we get another "Hops" kind of night.

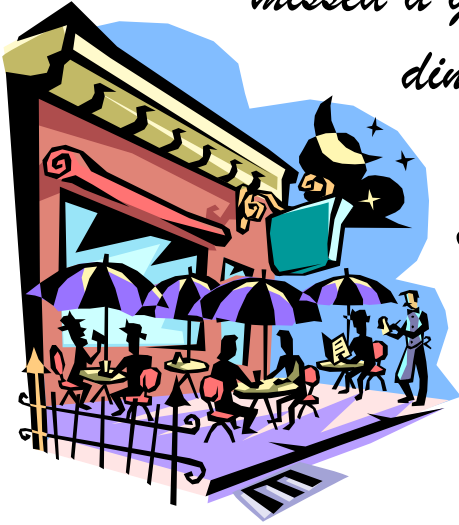

See you there!

Olisa

Hop's Attendance

If you didn't make June's mini-social at Hop's, you missed a good one. There were 24 of us dining on the patio including little Mario and a special guest appearance from Wilhelm, who was in town on business. This month it's at Hickory Tavern — let's keep that attendance up ...

Annual Pig Roast

Well, if you're planning on attending this year you're already too late. The club held it's yearly summer blast on Memorial weekend and if you weren't there you missed out on lots of fun and side splitting entertainment. The food, as usual, was the "Star" of the party. Once again Ted did a great job - who else could we get up at 6 AM to start cooking and stick with it all day? Fortunately the weather was most cooperative - it wasn't hot, humid or rainy. Pedro entertained the crowd again with his personal style of auctioneering. A lot of people got some great deals. Many thanks to all of you who turned out and supported the club - whether it was by just coming, bringing a friend(s), donating something for the auction or buying an item or buying the extra pork. Support and camaraderie are just two of the many things this club is about.

Conni

Hats off to:

All the **many** volunteers it took to put together the annual Pig Roast last month. Whether you came on Friday to set up or Sunday to clean up your work was extremely appreciated. The hardest work fell on Saturday. I cannot begin to thank you enough. I want you all to know it was a group effort and no one person could have done it alone. Volunteering from the Board were:

Herb Lindsay
Joy Bobo
Bryan Bobo
Taylor Bomar
Alison Kimball
Doug Tinsley

Barbara Rogers
Mike Rogers
Del Haynes
Shelia Haynes
(and my personal favorite)
Ted Mueller

Many thanks also go to many **Non-Board** members who were kind enough to give of their time to help out on this event:

Jill Menzel
Dagmar Lindsay
Martha Tinsley
Cici DeFreitas

Mariel Hunkeler
Robert Voll
Vilma Voll
Karin Krussig

And of course a special thanks goes to the man with a flair for talking, our favorite auctioneer, Pedro McGuire.

Please know volunteers are needed for many events so don't be a stranger. You may even have some fun you didn't know you were missing.

Conni

Plan on sipping a beer at the Tryon Movie Theater Sunday August 20th. We don't know what movie will be playing, but that doesn't matter because the beer will taste great! Afterwards we can move down to the Sidestreet Restaurant where they serve terrific pizza.
