Telemetry from Taylor

I don't know about anyone else, but I had a great time at the club activities this past month. We started with Jeff Willis, (the speaker at the club meeting,) who was so interesting that, after listening to him for almost an hour, everyone seemed prepared to listen for another hour. Then there was the putt-putt and dinner outing, the International Festival, the mini-social, and ended with one of the best hikes I've been on with the club (yesterday.) It's too bad that so many of you had to miss these great activities. However, we've been doing a lot better about getting pictures of these events onto the web page in a timely manner so check it frequently to see how much fun your fellow club members are having.

Coming up for November Alison has another interesting program lined up. We also have the Crescent Fall Convention in Asheville and a return to Billy D's West for our mini-social. In December the board has decided to have a Christmas gathering at Joy Bobo's house rather than going to a restaurant. (This is due to some rather bloodthirsty deposit requirements and other restrictions that were encountered while trying to secure a location for that event.)

Two final notes: First, there is a Roan Mountain trip planned for the upcoming ski season. Several cabins have been taken already. And, as it stands now, the club race will be on that weekend this time. Contact Bryan Bobo for pricing and other details.

Second, the sign-ups for the Telluride trip are dismal, to say the least, with less than 20 people signed up at last count. LTA has contacted Bryan and told him that they must release the unused rooms. However, there may still be a chance for anyone still interested if you act quickly, (as in as soon as you read this.)

ENTERTAINMENT TONIGHT!

Join us Thursday, November 7th as we have a night planned sure to entertain all who enjoy skiing, skilled moves, gorgeous scenery & popcorn. What do they all have in common?

Bryan & Mark will give us a dry land demo and a few tips on how to make this our best ski season ever. Following that performance, we will watch (as we continue to socialize) the magnificent cinematography of Warren Miller, whose films have been highly acclaimed by all who love the beauty of snow & nature combined. Popcorn, drinks and a little imagination - what more do you need?

Hope to see you there.

November Mini-Social

Billy D's-West

Wednesday, November 13th @ 6:30 PM

Based on last year's success, we will be returning to Billy D's-West for our November mini-social. Don't miss the opportunity to have a delicious, relaxing dinner before the holiday season rolls in. Please sign up at the November membership meeting or contact Marcy at 596-3114 or mouseworks52@yahoo.com.

Who has Ideas for Special Events?

As the Thanksgiving and Christmas holidays approach, I thought that most of us will be pretty busy without adding another activity, so I haven't planned anything. January will also be a rather busy month as the big out west trip is then, but plans for events next spring are under way. Some ideas I have include an evening called Chocolate Ecstasy, possibly near Valentine's Day, and a dinner and movie evening sometime in March.

The Chocolate Ecstasy evening could include a full 3 course meal –appetizer (soup?), entree, and dessert -- with all items having some form of chocolate, or we could just do coffee and dessert, obviously all desserts including chocolate.

Everyone interested (all those chocoholics) in either idea is asked to contact me and let me know what sounds like the most fun, or let me know of any other fun ideas you might have.

Thanks!

IN ANTICIPATION

December brings our annual club meeting of wine & cheese, Chinese Auction and toys for the children of DSS.

Please plan on attending the meeting and bring a wrapped gift for the auction (if you choose to participate), but especially an unwrapped gift for a child so that you can help make a less fortunate child's Christmas a little merrier. If you don't have time to shop, please consider a monetary donation to DSS.

Afterall ... it is the season for giving !!

Hope you all have a joyous Thanksgiving spent with your family and friends.

Alison

TELLURIDE TRIP PLANNED!

Mark your calendar and register for one of the best ski trips the Spartanburg Club has ever offered. We have 44 slots reserved for January 18 – 25, 2003 for Telluride, Colorado. We have made arrangements to have a bus take us from Spartanburg to Charlotte and pick us up on return to bring us back to Spartanburg. Air will be on American Airlines flying from Charlotte to Montrose, with only one plane change in Dallas. From there, it is only an hour to one and a half-hour bus transfer (included in package) to Telluride (not counting our stop at the beverage store).. We will be staying at the Cimмерon Lodge, which is a ski-in/ ski-out accommodation at the base of chair lift #7 and located in the town of Telluride. As Telluride is a small town, everything is easily within walking distance, but there is also free bus transportation throughout town, with a stop at our front door. Cimмерon has 2 bedroom/ 2 bath condos, where we should be able to easily accommodate couples and singles.

We are planning a wine (whine for Allison) and cheese party reception to meet with the mountain people, and give out lift tickets. We have a Nastar race scheduled for Tuesday (optional at \$10.00 for 2 runs – extra runs \$2.00), followed by a slopeside cookout/picnic that will be included in your package. There will also be a group dinner on Thursday night included (restaurant arrangements still in progress).

*Final air pricing has not been concluded, but the total package should be around **\$1100.00** plus Lift tickets. Lift tickets will be \$190.00 for a 5-day lift pass, with an additional day for \$38.00 (for the diehard McCalls).*

All plans are finalized and a sign-up form is ready. For a Form, Questions, Concerns, or a Trail map contact Bryan Bobo at 433-8640(w) or 433-9466(h)

We have had a lot of calls and interest from people in other Crescent Clubs, so PLEASE sign up NOW!!!!
