June 12th: PIG ROAST!!!

June : Mini-Social @ Longhorn Steaks

JUNE 2004

<http://www.spartanburgskiclub.org>

From Barbara

We had a wonderful May. The cycling program was informative and fun. As always, Hops was the highlight of the mini-social season. Was that an attendance record, Alison? June promises to be even more delightful.

We'll kick off the month on **FRIDAY, JUNE 4TH AT 6:30 PM** with the first of our summer water meetings. OK, the water at our house is minimal, but the warm tub will be open. (In the winter it's a hot tub. In the summer we turn down the temperature.) Bring your swimsuit, towel, and a large appetite. Mike will grill some chicken. We'll eat, drink, and be merry. You can also purchase tickets for the Pig Roast and sign up for the minisocial at Longhorn, the October trip to Helen, and the January trip to Big Sky. We have already emailed directions. Please **RSVP to 578-0618** or email us at **kwizen@msn.com** so we'll know how much food to prepare. If you didn't get directions by email, please call us.

We do have some regrettable news. Dick Jones, our treasurer, has found it necessary to resign since he is moving to Florida. He has been a meticulous record keeper and kept a beautifully balanced checkbook. He will be hard to replace as treasurer and we will miss his wonderful wit at our gatherings. Also, Shelia Haynes will no longer be able to assist us with membership. Fortunately we'll still be able to see her at club functions, but we will miss her wonderful ideas.

Dick will not be leaving until the end of June, so you will have a chance to see him at our June activities to tell him goodbye and wish him well. Hope to see you at our house on **FRIDAY AT 6:30.**

ALPINE SKI CENTER

Unicoi State Park
Helen, GA
October 29-October 31, 2004

We are planning a fall outing to Unicoi State Park near Helen, GA. Most of us are familiar with Oktoberfest at Helen and this trip coincides with that event.

We have reserved three 3BR cabins at Unicoi. Unicoi is two miles from Helen and has a hiking trail of two miles to Helen. This is a beautiful State Park and this trip offers the best of two worlds, the excitement of Helen and the beauty of nature. There is hiking to include an easy walk to Anna Ruby Falls. This is also a spectacular area of Georgia for car trips to nearby attractions.

We have also reserved three campsites for our members who like to “rough it”. These sites are full hook-ups which should take the edge off of really roughing it.

The cost is \$55 per person for the cabins for the weekend. This is based on six occupants to a cabin. The cost of camping is \$48 per campsite for the weekend.

I will need the entire payment as described above by September 1, 2004 to reserve your space.

Please give me a call if you need additional information.

Spartanburg Ski Club Western Trip
Big Sky, Montana
January 22-January 29, 2005

Join us for our annual adventure to the western Mountains, this year to a favorite, Big Sky, Montana. We will be flying out of Greenville/Spartanburg Airport on Saturday morning, January 22nd and returning Saturday night January 29th.

We will arrive in Bozeman and take the charter bus for the short ride to Big Sky. Our accommodations for seven nights are at Bighorn Condominiums in Big Sky. These units are well appointed 3BR/3BA that will accommodate six persons. Depending on the location of the individual units, they are 50 to 500 yards to a surface lift to get you up the mountain. All but the very novice skier will be able to ski back to your accommodations. It is an easy walk to the base of Big Sky for the restaurants and shopping.

Two of the units have their own hot tubs. Hot tubs at the Huntley Lodge are also available for our use. There are two price structures for hot tub and non hot tub units:

Units with hot tubs	\$1,215
Units without hot tubs	\$1,150
Land Only hot tub units	\$ 760
Land only without hot tubs	\$ 695

Land only packages includes ground transfers to and from Bozeman to Big Sky. The flight you arrange must closely coincide with the group air schedule.

The first twelve to sign up for the hot tub units will get priority for these units. This cannot be 100% guaranteed because of rooming considerations. I would suggest that if possible each person obtain a roommate and note this on the trip application.

The price of the trip includes **six days lift tickets**. Also included is transport of your luggage to and from your lodging at Big Sky. We will also have a mountain picnic and a get together to include a meal one evening.

Optional activities will include a foray into Yellowstone National Park by Snowmobile and a Club race. More details to follow on these activities.

This is going to be a great trip and I feel a true value. Please sign up early. You will receive an application by mail and E-mail. Please note it should be returned to LTA Travel.

I look forward to talking to each of you about this exciting trip.
