## A FABULOUS FALL !!

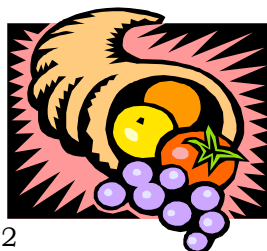

The fall has gotten off to a wonderful start beginning with our Progressive Dinner, October 3 and our Hickory Knob Golf Weekend, October 9 & 10. Many thanks to Tim, his hosts & hostesses: Ted, Conni, Alois, Karin, Del & Sheila for opening up their homes to us – good food, good company and a great lake. Del did a super job organizing our golf games at Hickory Knob and the weather was extremely cooperative ... we even had a FULL moon on the lake (before sunset by the way - thanks to Tim, an “ass”tronomical sight rarely seen I’m sure!)

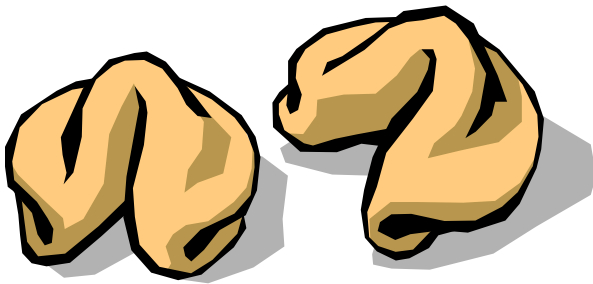

The November meeting will be Thursday, the 5<sup>th</sup>. We’ll have a program from Chris Story, Spartanburg’s Share The Vision Coordinator, and lots of news about upcoming fun stuff. See you there, 7:30 – Art’s Center!

## HAPPY THANKSGIVING

## Chinese Auction

The December meeting will also include the ever-popular Chinese Auction. If you wish to participate, please bring a wrapped gift (\$10 or under) to the meeting. You will be given a number and then decide which gift you want to take home. That only works if you're lucky enough to draw the best number because anyone can take your gift away from you, and you'll get something else instead. Lots of fun – be sure to jump in on this one!

# Hickory Knob State Park Golf Weekend

by Tim Corbin

Although our annual golf weekend, October 9-11th, to Hickory Knob State Resort Park was planned and perfectly executed by Del Haynes and friends, the special events director wishes to make an observation or two regarding the weekend.

The weekend was perfect. The weather was unbelievable. The course was scenic and yet really inexpensive. The lodging was clean casual and homey. The breakfast buffet provided all the things our doctors warn us about, as well as all those mom tried to get us to eat. Our boat trip to and from dinner Saturday evening [*despite the extra full moon*] was starry and romantic. Golfing was fun because it was well organized and challenging. We also saw wildlife, like deer, raccoon, and fox right around our accommodations.

There were also opportunities to play tennis, fish, water ski, skeet shoot, experience an archery course, nature hike, shop, lay by the pool or lounge on a pontoon with a beer and good music while watching the golfers go by. All-in-all, the weekend was really fun, while relaxing and inexpensive. Maybe next time we could rejuvenate our tennis tournament or have a fishing tournament or play poker or cook out. We had about 25 in attendance, but it should have been 100. The next time we go to Hickory Knob, don't miss out, it isn't just for golfers. Thanks again to the organizers. I think I had way too much fun.

## *Roan Mountain Weekend*

## **CRESCENT SKI COUNCIL IS A CHARTER MEMBER OF NSCF**

**by Ken Lumsden, Chairman**

The Texas Ski Council (TSC), Florida Ski Council (FSC), and Aspen Skiing Company hosted the Second Annual National Ski Council Summit Conference at Snowmass, Colorado, on August 28-29, 1998. TSC's Anne Myers chaired, and FSC's Kim Miller co-chaired, the

conference and the meeting where representatives of the thirteen councils in attendance voted unanimously to form the National Ski Council Federation (NSCF). Ms. Miller, of the Florida Ski Council, was elected the first president of NSCF.

At the Summit Conference, council representatives shared information about the organization and operation of their councils and trip programs. Bob Wilbanks, publisher of the National Ski Club Newsletter, and Richard Davidson, Board Member of the Swiss National Tourist Bureau, also attended all meetings of the council representatives. The council representatives then met with representatives of travel agencies to discuss areas of mutual concern regarding the planning, bidding process, marketing and operation of ski vacations. This was followed by a meeting between council representatives and ski area representatives where similar discussions were held. Finally, council representatives, travel agents and ski area representatives all met together.

At the combined meeting, the ski areas, led by Lake Louise's Sandy Best and Aspen Skiing Company's Kris McKinnon, agreed to develop a program of incentives to encourage first-time skiers to try the sport. All agreed that such a program could help clubs by bringing in more members and help ski resorts and travel agents by developing more customers. Some of the possible incentives discussed included free equipment rental and lessons and lift tickets. A report on the implementation of the program is anticipated in late 1998.

Charter Member Councils of NSCF are, and their representatives in attendance, were:

## WEEKEND SKI LODGING PACKAGES ANNOUNCED

If your Club did not receive a winter weekend lodging package, please contact Lisa at (423) 652-1754 (before 9:00 PM Eastern, please!) or e-mail her at [drab88@aol.com](mailto:drab88@aol.com).

## WORK PROGRESSES ON 1998-99 DIRECTORY

by Frances Edwards, Advertising Chairperson

The advertising for the 1998-99 Crescent Directory is going well. As of July 27, 1998, the Inside Front and

the Inside Back Covers were sold. The Back Covers will once again be an ad by Aspen/Snowmass (where we held our January 1998 Ski Week) and the Center Spread will be by Sunday River. Sunday River has been a big supporter of Crescent over the last several years and looks like this year will be no exception.

We have sold six half-page ads and ten full-page ads. Some of the repeat advertisers are again on-board and some newcomers are advertising this year. SkiBanff/Lake Louise, Central Holidays, Okemo Mountain Resort, PRW Sports Luggage, Whistler/Blackcomb, and Christy Sports are all new advertisers to the Crescent Ski Council Directory.

Remember, once the directory is published, we should always thank the advertisers and their respective resorts/businesses (and consider skiing with them -- or buying from them -- before other resorts and vendors) in light of their continued support of the Crescent Ski Council.

## POSSIBLE NEW CLUBS IN CRESCENT?

Over the summer, three Southeastern ski clubs have contacted Crescent showing interest in becoming member clubs: Richmond Ski Club (Richmond, Virginia); Triangle Tennis & Sport Club (Durham, North Carolina); and Central Florida Snow Skiers (Orlando, Florida). At press time, Central Florida had made a formal request to become a member club! The Central Florida Snow Skiers has approximately 500 members. You can visit their web site at [www.diatomic.com/cfss/](http://www.diatomic.com/cfss/).

The prospective member clubs are interested in joining the Crescent Ski Council because of our excellent racing program, our Ski Weeks and our conventions and workshops.

# The Progressive Dinner '98

by Tim Corbin

*Author's Note: This years Progressive Dinner [not Regressive Dinner] was a less formal affair not intended to be compared to previous events of the same name.*

20 Spartan Skiers were wine'd, dine'd and reclined October 3, at our annual Progressive Dinner at [or near] Lake Bowen.

Our armada [**THANKS!** to Captains Ted, Alois, and Bill] set sail after vigorous preparations from the Mueller-Harrill port-of-call where rumor has it a Viking funeral was about to occur. We checked our compass and headed toward the German port of Krussig.

After much wandering we discovered that our navigator, Zoomie the Lost Boy, was following the minute hand of his dive watch instead of using his compass, hence the circular look to our travel charts.

Upon arrival at Port Krussig, there was a beautiful table covered in meats and cheeses and bread with German brew. [**A big THANK YOU!** to Karin and Alois for hosting the our scurvy bunch.]

The armada then set sail for Greenland [*in search of a salad with Seven Seas dressing*]. Our eagle-eyed navigator spotted this port-of-call just in time. [**Another big THANK YOU!** to Conni and Ted for a great salad, etc.]

After serious discussions with Admiral Del, Zoomie-the-Navigator agreed there may not be a Northwest Passage for our armada to follow to the Haynes ranch on the Pacolet River. Aside from going over the dam, we would have had to pass by the dreaded Mussel encampment in the Timberlakes region.....So, we drove our cars.

Upon reaching Rancho Grande del Del, we feasted on fowl and suckling pig [*not Zoomie*] and roast beef with "mush" and gravy with "fine wine" [*not from a box, but froma really big bottles*]. Dessert was German chocolate pie and carrot cake. Hopefully the missing red velvet cake will show up at the next Special Event. [*The food was catered by Rainbow Sweets.....578-9470*]

We cannot print all the happenings during this shore leave evening, less we be compared to the Starr report, but let's just say, "It was one hot [*bonfire*] evening involving a hot tub and a big bed [*Shelia's new air bed*] with lots of people on it [*all clothed*]. No sexual relations [*as we understand the term*] was involved. [**Another really big THANK YOU!** goes out to Del and Shelia for hosting our main course and desert.]

### Lake Louise/Banff Trip -- Feb. 20 - 27, 1999

Currently (10/22) our Lake Louise/Banff Trip has 31 signed up, 22 at the "castles" and 9 at Banff park Lodge. We certainly hope that more of you will sign up. We are particularly looking for a few good single members. There is a penalty for canceling rooms thus LTA cannot keep additional rooms available much longer.

Canadian Pacific "Castles" option	\$1186
Banff Park Lodge downtown Banff	\$ 901

Includes Air (Delta from Greenville/Spartanburg), Lodging, Ground Transportation and Banff Park Fee.  
The Canadian dollar is trading at \$1.50 Cdn for \$1 US which will provide great shopping bargains.

## COME SHARE THE VISION

Chris Story, Coordinator for Spartanburg's Share The Vision, will present a program on our community, detailing the strategic planning process involved to keep Spartanburg in competition with other communities in the state and region. The Share The Vision Plan, in addition to its long range goals and objectives, will include initiatives to be completed in the coming years addressing community concerns such as local government improvements, downtown development, marketing and image building, community appearance, public health, educational excellence, transportation and infrastructure, and economic development. Show your support for Spartanburg – let's find out what's in store for our fair city. The program will begin at about 8:00 PM.

## THE PROGRESSIVE PARTY

What a great day and evening I had last Saturday! Boat hopping and stopping was such a pleasure. The Krussigs as always had quite a treat for us. Karin and Alois served a bountiful assortment of deli cheeses and meats along with one of Alois's favorite German beers. (Aren't they all his favorite?)

The coastal cruise was blessed by perfect weather from the powers that be and the participants were all blessed with each others company, song and "DRINK".

Many thanks to all of you who helped in such a quick clean up at my house. Ski Club people are great friends to have.

Del and Shelia throw one heck of a SHINDIG! FIRE AND WATER. And the BEDtime stories.....well, let's just say you had to be there to appreciate them. It was such "group" fun. The hot tub was a perfect way to end a great day on the lake. (Heck, I don't even remember going over the dam.) Good navigating Captains Ted, Alois and Bill. You did a great job!

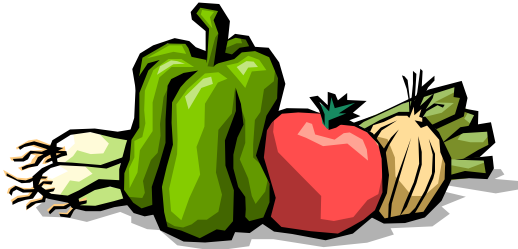

Now Tim, who organized the whole thing, did a bang up job! He and Shelia chose a wonderful caterer and no one went away hungry. And to organize a floating regatta with this group would be quite a challenge for anybody, but Tim definitely gets two thumbs up!!

Can we do it again next year?!?!?
