Awards Dinner and Officer Installation  
At the Piedmont Club  
April 1st

Mini-Social at  
The Outback Steakhouse  
April 20th

CSC Spring Convention  
April 22nd - 25th

It's my last presidential newsletter - WOW, the year really went by quickly. Time flies, so they say – and we do indeed have lots of fun stuff coming up in the next few months. So read this newsletter carefully and mark your calendars with all these important dates.

Our month begins with our awards dinner & officer installation at the Piedmont Club, April 1. I sure hope to see all the old familiar faces there and several of the new ones as well. This is the beginning of the new year for the club, and it is a wonderful way to show your support of the club (and fun to get all dressed up, too!). The festivities will begin about 6:00 or thereabouts with cocktails. Pig Roast (June 5<sup>th</sup>) tickets will be available for purchase, so bring your check-books!

Jim has a mini-social planned for April 20<sup>th</sup> (Tuesday) at the Outback Steakhouse on Reidville Road. Be sure to sign up at the Piedmont Club or give Jim a call if you plan to attend. Remember signing up does not automatically commit you, it just gives us a rough estimate so the restaurant will know how many to set for.

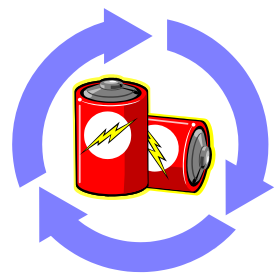

We wind down the month with the Crescent Spring Conference to be held at Myrtle Beach, April 22-25. Please contact Herb if you'd like to attend.

We have trash pickup for our Adopt A Highway on the mile stretch of Hwy 221 scheduled for June 5 & September 18 this year. Please consider lending a hand and help keep our community litter free.

See you at the Piedmont Club.

## *As I Pass The Gavel . . .*

*I wanted to take this opportunity to let you know what an honor it was to have represented this club as your president for the year 1998-1999. It has been a challenge at times and has offered many rewards. I thank all those board members for putting up with my “unconventional” board meetings and me – I kept waiting for that guy named Robert to show up with his rulebook, but . . . . to no avail. This club has been an indispensable part of my life for several years, and friendships I have formed are a constant reminder of why I love this club the way I do. Thanks to all of you for your time, support and encouragement. I leave you in good hands as I pass that gavel on to Joy.*

## CLUB REPRESENTATIVES SHOULD MAKE PLANS TO ATTEND SPRING BOARD MEETING TO APPROVE NEW CRESCENT CLUB

The next meeting of the Board of Directors of the Crescent Ski Council will be held at the Sea Mist Resort in Myrtle Beach, South Carolina, on Sunday, April 25, 1999. The most important new item of business to be discussed and voted upon will be the application for membership recently filed by the Triangle Sports & Outings Club, Inc. (Durham/Chapel Hill, North Carolina) ("TSOC"), which many of the Crescent veterans will know was formerly known as the Durham-Chapel Hill Ski & Sports Club.

TSOC currently has about 230 members: members generally are from Durham (55%), Chapel Hill (25%), Raleigh/Cary (15%), and other cities (5%).

About 40% of TSOC's members are avid skiers, and 5% (12+/- skiers) want to race with Crescent! Twenty percent of TSOC's members enjoy cross-country skiing. In the off-season, TSOC sponsors beach trips, bowling, camping and hiking, white water rafting, golf and tennis, bike trips and other activities.

From 1969 to 1994, TSOC was a member of Crescent. In 1994, it chose not to renew membership in Crescent to focus its efforts on attracting more non-skiing members. In response to its members (who now want more ski trips!), TSOC filed its membership application with Crescent on February 28. When the Crescent Board reviews TSOC's application for membership, it will also determine whether TSOC, if accepted as a member, will be a Full or Associate (non-voting) member of Crescent.

## UPDATE ON CRESCENT'S TREASURY

Thanks to the efforts of Alan Lange (Cape Fear), Crescent Ski Council's Treasurer, financial reporting for Crescent's activities and budgeting for the upcoming year are progressing smoothly. We now have Crescent-wide budgets and accounting systems in place. In addition, Crescent filed its Federal informational tax return (Form 990-EZ) with the IRS for its fiscal year ended May 31, 1998 in January. Effective November 20, 1998, Crescent purchased an Employee Dishonesty and Forgery/Alteration insurance policy issued by Travelers Casualty and Surety Co. of America. The policy's limit is \$100,000, with a \$1,000 deductible on dishonesty coverage and no deductible on forgery/alteration coverage. Cost of the insurance is \$218 annually. Finally, Alan is busy assembling information from Crescent's 1997-98 fiscal year for review by an independent person within Crescent and hopes to have this review completed by the Spring Board Meeting.

It's no wonder our resorts are the most popular in North America. Each one is blessed with a personality all its own. The joy of the land, the scent of the pines, even the feel of the snow is different from one Intrawest Mountain Resort to the next. And although we can't improve upon Mother Nature, we can bring out the best of her features. So we're continually discovering more ways to enhance these special places while taking great care to preserve their souls.

We hope they all get well and are back skiing again soon!

This is my last month as your trip leader. I am retiring the end of August and next winter Dagmar and I plan to be working for the Aspen Skiing Company. My job as trip leader was the most enjoyable position that I have held with the ski club.

Mike Rogers asked me to take the job for the 1990/91 season. Since then I was in charge of our trips to Big Sky 92, Vail 95, Whistler 96, Aspen 97, Big Sky 98 and Lake Louise 99. The cooperation and help I received from all the members was great! My goal was to provide smooth running trips for the enjoyment of all those who went. Other than our 3 AM return from Aspen (American Airlines strike) I don't remember any major problems. Now Mike is going to take back over as your trip leader. Be sure and sign up for next years' trip as I am sure he will provide you with a terrific ski vacation.

The results of our survey (taken on our return trip from Lake Louise ) for our ski trip for next year was as follows:

	<u>votes</u>		<u>votes</u>
1. Aspen	- 14	1 <sup>st</sup> choice	5 2 <sup>nd</sup> choice
2. Zermat	- 9	1 <sup>st</sup> choice	
3. Park City	- 7	1 <sup>st</sup> choice	
4. Steamboat	- 1	1 <sup>st</sup> choice	

If you have been on our previous western trips in the last two years or you plan on going next year let Mike Rogers know of your preference – I hope it will be Aspen.
