OCTOBER 1999

Joy's Journal

Well gang, fall has finally arrived, bringing with it some cooler weather. You know what that means? Ski season can't be far behind!

October is shaping up to be another fun filled month. We will begin with a great program on safety. As always this will be at the Arts Center on October 7th at 7:30.

Our annual trip to Hickory Knob State Park follows on October 8-10th. This has always been one of the best golfing outings we have. Contact Tim if you are interested in going. You don't even have to be a golfer to get in on the fun.

Our mini social this month will be a send off for Herb and Dagmar. We will be at the Capri's on Reidville Road at 6:30. For those of you who don't know Herb and Dagmar are going to be spending the winter in Aspen working at one of the resorts. (Some people lead a tough life!) We are going to miss them during our ski season, but they will be returning in the spring. Let's all show our support for their new adventure.

Mark October 29th on your calendars. You don't want to miss this. Doug is planning a fun filled evening of costumes, terror and hot dogs. Read more about the terror trail in the newsletter. Well as you can see we are keeping up with our new name. We have lots of fun and exciting outings planned for the month. You don't want to miss out.

Program by Tim Corbin

Well, if you missed our September meeting you missed seeing the hottest new in-Line skates available and hearing and seeing Mike's trip to Park City. The best thing to do in order to remedy the loss of this information is to do the following:

1. Call me before the October meeting and tell me what you think is the best time to go take an In-Line skating lesson from Dave at the Alpine Ski Center in Greenville. We can then set up the class. Then at the October meeting we will have a sign-up for the lesson for anyone else who may be interested. Call me at 864.587.6645.
2. Call Mike and say, "Tell me about the trip to Park City and what I could expect if I went with you in January." This should be a great trip. The accommodations looked great and those mountains would look really good in snow.

Our October meeting is a presentation on safety and things we can do to make our lives a little safer. This speaker has been set up by another of our members who is out of town. I do not know the speakers name, but I understand he wears a uniform so....It did cross my mind that a speaker on living safely coming to speak to the Spartanburg Ski and Outing Club might seem far-fetched.

Hickory Knob Weekend October 8th thru 10th

I have at least one room left at the newsletter deadline. We may have some Augusta Ski Clubbers coming over for a little competition. Call me! Each room is \$90/night with two golfers getting 18 hole of golf with cart and a great buffet breakfast each day. That's ninety bucks for two rounds of golf, two nights lodging, and two breakfasts. This is the same trip that I raved about last year. It's worth three times that much. . Do not forget, that you can come and play golf without having to spend the weekend. It is a very nice course, in easy driving distance.

I am looking for a Program for November. Call me if you have some ideas.
