## *Ted's Corner*

The meeting at the Piedmont Club was, as always, great food, great company and just a wonderful time. Racing awards were presented and the official changing of the guard took place. Thanks to Joy for leading us through a great year and into the new millennium. Special thanks to the racing team for their excellent performance despite the limited number of racers. Keep in mind that the next racing season is not all that far away and that the club needs as many racers as possible.

Now that the new club 2000-2001 year is in full swing, the board is busy providing a number of new and unusual events that you can all participate in. We are planning a Roan Mountain fall trip with hiking and golf, and are looking at a train excursion into the mountains starting at Dillsboro, NC (also being planned for the fall), maybe a boat trip on Lake Lure, another play at Flat Rock and many other events. The ski trip for next year is one of our most popular places, Aspen. Start saving for this trip. It will be a great one. As in the past mini-socials to your favorite places and other special activities are in the works. Keep you eyes on the newsletters to get the latest info.

Spring is here and the ski season is over. The Crescent spring beach trip is this weekend (April 27<sup>th</sup> to April 30<sup>th</sup>) and possibly we can come back with a few good ideas. I am anxious to talk to some of the other club's members to see where their pains and gains are.

We had a great murder mystery party at the Bobo's. The steaks were great. If you have not attended one of these mystery parties you really need to do so. They are lot's of fun and you will be guaranteed to shed a few tears laughing.

One area that needs attention is membership. Our membership has declined over the last few years, as have the memberships of several of the ski clubs. Some are even talking about disbanding their clubs. Please make an attempt to communicate to your friends about all the activities that we enjoy and participate in. Make an active effort to recruit new members so that we can continue to enjoy the benefits and social interaction that has made this club such a joy to be a part of.

Enough pontificating for now. Have a great month. See you at the meeting and join us at Corona's next month.

## ***Annual Pig Roast Alert***

**Date: Saturday May 27, 2000**

**Time: 3:00 PM until**

**Place: Lake Bowen (of course)**

**280 Bertha Burns Rd.**

**Ted & Conni's**

**Tickets: \$10.00 - Available from any Board Member**

That's right, this year we're beginning the season with the biggest blast of the summer. Bring your friends and family and show them what \$10.00 can buy. This always includes all your food, beer, wine and soft drinks. And we don't charge extra for all the fun. So make your plans now to attend and buy your tickets in advance so that we can get a head count. We don't want to run out of food.

If you're interested in the "set up Party" on Friday night or the brunch on Sunday, volunteers are needed, so please call me. And let's see some new faces this year!

Please don't park in or in front of the neighbors' driveways. It's hard for them to lift their cars over yours.

## *How about a little help ?*

If you're not a board member you may not be enjoying enough fun. Unfortunately board members make up 97% of our volunteers in this club. Volunteering is your way of supporting our club and also getting to know other members in a smaller setting. If you don't understand how the club operates or you're fairly new into the club I welcome you to volunteer for any event. Of course Pig Roast volunteers are always needed. If you have a special interest you would like to volunteer for, please let me know. I'll make sure you get used and appreciated. Thanks.

# SNOWMASS 2001

## February 3-10

Our club's annual Western trip will be to Snowmass. We will stay at Timberline Condominiums in 3 bedroom-3 bath units which are truly ski in-ski out.

This, of course, is part of Aspen Skiing Company which includes 4 mountains--Snowmass, Aspen Highlands, Buttermilk, and Aspen Mountain--with one lift ticket accepted by all four.

Air transportation will be GSP to Vail-Eagle with only a short commute to our accommodations.

The pricing is not firm at this point but will be published in the near future.

Questions? Call Mike (864) 578-0618

# ROAN MOUNTAIN IN THE FALL

SEPTEMBER 15-17

This is our first annual trek to the mountains in the fall for golf, hiking, and leisure activities.

There are very few spaces left. If you want to participate in this fun event, you must act soon.

Please call Mike for additional information and to make reservations at (864) 578-0618.

## **Tent for Rent ???**

For Rent: A portable shelter consisting of an oh so fashionable metallic silver flexible covering. This covering is supported by; not 2, not 4 but 6 vertical circular shaped galvanized rods in a coordinating silver white color. Each rod is secured to the surface of the earth with a lovely red shade of synthetic material affixed to a rigorous form of iron implanted into the upper stratum of the third rock from the sun.

The comparative magnitude of the aforementioned portable shelter exists to be 18 by 20 measurable English feet. This sheltering will shield your assemblage from general atmospheric conditions. It may be employed for any number of logical (or illogical) operations, i.e.: Consuming nourishment or libations to one's body, protecting one's epidermis from the self-illuminating orb that gives heat and light to the solar system, or to shield existing inhabitants or material from moisture precipitating from the atmosphere.

The shelter is available to every part of the Ski and Outing Club membership for a financial commitment of not 50, not 40, not even 30, but only 25 dollars in US currency.

More knowledge on this security shelter is attainable through any member maintaining a state of being on the board or by manipulating the digits of your hand to a communication device that connects one human beings speech to another.
