OCTOBER 2000

<http://www.geocities.com/Pipeline/6821>

I had the opportunity to attend the groundbreaking for Bobby Joe Collins' house being constructed by Habitat for Humanity. It was quite an occasion. Bobby Joe as you know is the Special Olympian that the Spartanburg Ski and Outing Club helps sponsor. Bobby Joe's wife Lisa was there and we weren't quite sure if the groundbreaking or the birth of their child would happen first. She was due the same day. As it turned out their child Christopher, 8lb. 13oz., was born the next day.

Habitat for Humanity is doing wonderful things for people that would otherwise be unable to afford a home of their own. If you have some available free time and have a knack for building or just want to learn a few things I would highly recommend volunteering. Come to the November meeting and find out more. We'll have a presentation by Habitat for Humanity.

The fall Roan Mountain outing was wonderful. The weather could not have been better. Mark's hike to the top of Yellow Mountain resulted in scenery the likes of which are beyond description, although getting there was a little trying. The march from Bataan comes to mind. All the golfers enjoyed the golf game. I believe Farmer Del had the best score as usual. Conni's spaghetti dinner hit the spot after all the exercise. Thanks to all who participated.

It won't be long now until ski season arrives. Start getting in shape and join the race team. We need racers.

The fall Crescent Conference will be in Asheville on November 3rd to the 5th. Attend if you would like to get more information on the various ski club functions. There are a number of workshops targeted at improving the operation of ski club board functions.

The possibility of attending a Charlotte Hornets game was discussed at the last board meeting. We didn't get an overwhelming response. If you would like to attend a Hornets game with the club contact one of the board members and let us know so that we can gauge the interest of the members for this activity.

Come and join us at Haus Heidelberg in Hendersonville on October 15th for the mini social. It's a Sunday. The food and beer are outstanding.

Ted

Pitching the Tent

As you all know (or should by now) our club has a wonderful 18'x20' tent that is available for club members to rent. Since August 1996 I have been the contact person because I had it stored at my home. As of September 2000 *I NO LONGER* have that responsibility. If you are interested in renting it, please call Doug Tinsley who is now the contact person. *"I REPEAT I NO LONGER HAVE THE TENT"* so please don't call me regarding the rental. Thanks Doug!

This is based on double occupancy for 2 nights and includes lift ticket. The trip leader may be a non-racer, racer or even the race director (race workers may be considered a trip leader-instead of the race worker comp they would receive a trip leader comp). Comps will be issued after the trip-no exceptions.

Comp policy for race workers. In the past the comp for race workers has been ¼ reimbursement for lodging, race fees and lift tickets for the race dates. This policy will continue. However, race workers will be expected to pay in full by respective deadlines. Comps will be issued after the race-no exceptions.

SNOWMASS FEBRUARY 3-10,2001

Don't be left out! Plan Ahead!

We have had a fantastic early sign-up for our western ski trip for 2001.

We have 42 spaces available at Top of the Village condos at Snowmass Village. These are deluxe 3 BR/3BA units and are true ski-in/ski-out. The condos are located on a green slope (Fanny Hill).

Air transportation is from GSP to Vail/Eagle Airport. Ground transportation will be by motorcoach to Snowmass which is 70 miles away.

Air, lodging, and ground transportation are all included for total cost of \$1,122.00. Land only is \$693.00. (An optional \$8.00 baggage transfer is available and ***I WOULD HIGHLY RECOMMEND THIS ADDITIONAL SERVICE.***

As usual we will "throw in" some additional goodies as well as an optional NASTAR race.

If you are arranging your own air, I would suggest you do this **now**. If you need our flight schedule, call me.

I hope everyone who is considering this trip will send in their deposit soon. I don't want to see our club members left out. I previously sent sign-up forms. I do have extras. Please call me for forms and any additional details.

Meet the Board

Since there have been a number of new members and a lot of members that don't attend many of the meetings and functions we thought it might be a good idea if we put a small bio of each board member in the newsletter. So over the next few months you will have a chance to learn a little about the board members.

Ted Mueller - Ted was born in Germany and moved to Chicago and then to Indiana.

President Purdue graduate. Ted spent 4 years in the Navy or in Ted's exact words "3 years, 9 months & 16 days". Ted moved to Spartanburg in 1976 to work for Cryovac. Has lived on Lake Bowen for 18 years. He is an avid Scuba Diver (15 yrs.) and took up Skiing 15 years ago. He loves to travel and do anything involving water (frozen, thawed or mixed with ice). Ted and his wife Conni Harrell are one of many ski club matches.

Joy Bobo - One of our few Spartanburg County natives. Joy went to Limestone

Past Pres. College for her BS in Business and to Converse for her masters in Education. She's been teaching at Cleveland Elementary for 16 yrs. specializing in Reading Recovery. Joy's involvement in Special Olympics introduced her to her husband Bryan Bobo. Bryan then introduced her to the Spartanburg Ski & Outing Club and now Joy has been skiing for 7 years. When at home at "The Country Manor", their beautiful big white farmhouse in the Reidville area Joy enjoys cooking and a good bottle of wine.

Del Haynes - Originally from Seneca Del graduated from USC where he played college
Vice - Pres. tennis. He then joined the Navy and later he went to Georgia Tech where he got his masters in Electrical Engineering. He worked for Boeing with NASA on the Saturn V project. Del retired from Milliken last year. He is a charter member of the Spartanburg Ski and Outing Club and has been a member since 1969. Del and his wife Shelia have four children and four grandchildren. He enjoys skiing with his daughter Leigh Ann and granddaughter Ceci. He's an avid golfer, gardener and has a big soft spot for cats and dogs.

Herb Lindsay - Herb is another Georgia Tech Engineer (Industrial) who recently retired
Spec. Events from Hoechst Celanese. Herb was born in Canada in the Ontario area and grew up in Greenville. He moved to Spartanburg in 1967. Herb and his wife Dagmar have two children and four grandchildren, all skiers. Herb has been a member since 1970 and has served as president and trip leader. He and Dagmar are part time ski bums and work for The Aspen Skiing Company in Colorado from November through April. Herb says after forty years of hard work he finally qualifies for hourly wages. One hint for skiers that don't know Herb very well, if he says "follow me" take your skis off and walk down the mountain.

Roan Mountain Weekend -The Fall Version

Be sure to thank Mike Rogers if you attended the recent Roan Mountain Weekend. He set up the reservations last February and he and Del planned the golf outing. Additional thanks to Mark McCall for planning the Saturday hike - or was that a new form of "Herb's Forced March"? Anyway, there were lots of windburns, blister burns and credit card burns. Was it mentioned that Shelia organized "Shopping" and Martha was the big winner?

The Spaghetti dinner was a big hit - thanks to Mike again for all the organizing and shopping and to those who helped in the kitchen.

Roan Mountain in September was a great fall trip. Let's hope we can do it again next year.

MOUNTAIN GLEN GOLF

On September 16th, during the Roan Mountain weekend, fourteen of our intrepid group laid siege to Mountain Glen Golf Club. The swift greens posed quite a challenge to our flatlanders, but the course was in great condition and the weather was glorious, so all had a very enjoyable time. Del Haynes edged out Dorman Brock 85 to 87 for the low gross score thanks to an eagle on No. 14, while Tim Corbin's Calloway score of 74 bested the 75 posted by Barbara Rogers in the low net category. Mark Martin and Annie Homer won the closest to the pin and longest drive prizes, and Debbie Brock won the prize for high gross score (practice balls, hey hey).

We always set up a form of competition which allows less-experienced (lesser skilled?) players chances to be winners, so come out and join us for some of our golf events. The next golf event is at Hickory Knob State Park on November 11th and 12th and will feature some unique opportunities to win some loot.

ARE YOU INTERESTED?

The board would like to hear from you. We are discussing an outing to see the Charlotte Hornets in April of 2001. It is a Sunday afternoon game against the BOSTON CELTICS. Before ordering tickets we need to know if there is an interest from the club. Please let Joy Bobo 433-0802 (or any other board member know if you are interested.) This could be a fun and different activity for us if you are interested. We will also discuss it at the October membership meeting.

Membership News

It is time again to renew your membership in the Ski and Outing Club if you haven't done so already. Don't forget that dues expire September 30th. There are already lots of activities planned for next year so don't forget to renew.

We have several new members including two very young ones. *Mike and Denise Hoppenhauer* have just adopted a three-year-old Russian girl named Callie Lucinda. Callie is three years old, has blond hair and blue eyes and loves American food. So far she has adjusted extremely well to the good old USA.

Rumor has it that *Janet and Mark Cann* have an addition to their family as well. A new ski club member has shown up on their membership renewal. Betsy was born in March.

Congratulations to the new parents and the ski club looks forward to meeting the new members.

Welcome *Richard and Renate Furner* who joined after winning Roan Mountain raffle at the last meeting. The Furners moved here from the Chicago area six years ago. Richard is originally from the Chicago area and Renate is originally from Munich, Germany. They enjoy the outdoors and both are members of the Newcomers Club Bowling League. Richard is retired from Sears advertising. They are non-skiers but like card games and hiking.
