# MARCH 2001

The trip to Aspen was a great success. Mike Rogers did a super job of coordinating the trip and getting everybody there and back without incident. The conditions were wonderful. About twenty inches of snow fell while we were there, so the powder skiers as well as those who like groomed slopes were happy. We also had a great Nastar race at Snowmass with 22 of the 26 racers winning a medal. We had no serious injuries, thank goodness, and only two minor injuries one of which occurred while shopping.

I also want to thank Herb and Dagmar Lindsay for inviting all of us over to their apartment while we were on the trip. They have a wonderful place with a great view.

No additional candidates for club officers were nominated at the last membership meeting, so the slate stands as recommended by the nominating committee, which is:

**President - Del Haynes**

**Vice President - Taylor Bomar**

**Treasurer - Roger Meadows**

**Secretary - Doug Tinsley**

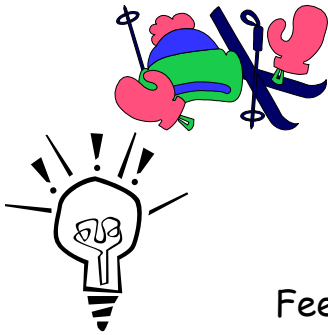

The election of officers will be at the next membership meeting on March 1, 2001 at the Art Center.

If you have any questions about the financial position of the club, where your money is being spent, what funds are available or any other questions relating to the finances of the club or about how the club is being run, that information is available at the membership meetings. Minutes of the previous board meeting are also available. Also the year-end financial report will be available at the April membership meeting. If you have questions ask Shelia Haynes, our club treasurer or me, we'll be happy to get you the information.

Also remember that board meetings are held the third Thursday of every month and that the board meetings are open to the general membership. So if you would like to attend just call one of the board members, they can give you the location of the next board meeting.

Bobby Jo Collins, our special Olympian had a great Southeastern Regional Competition. He won a gold and two silver medals. Let's hear it for Bobby Jo. Bobby Jo will be going to representing us in the international races in Alaska in March.

The racing team is in 6<sup>th</sup> place in the southern division. This is great news when you consider the number of racers we have compared to some of the bigger clubs. Mark and Carol McCall have done a great job in revitalizing the race team. They deserve a great deal of appreciation, as do all the racers who participate.
