From Barbara

The November meeting was both informative and entertaining. Thanks, Bryan. Alison reports great participation at Shogun. I believe Taylor is still the only person in the club who has his own chopsticks. Bryan, Mark and Carol, and Mike and I attended the fall Crescent Ski Council meeting in Asheville last weekend. It made us wish for cooler temperatures and some white stuff!

Don't forget to bring **unwrapped** toys (or cash) for DSS to the December meeting. We will also auction the Aspen lodging and lift tickets. If you haven't marked your calendar for the Christmas party at Joy's, put a big "PARTY" notation down for December 18th. We have some really good food planned. Also, be on the lookout for the perfect gift to bring for the Chinese auction. You want your gift to be the one everyone keeps trading for.

Our racers will begin serious preparation with the Race Camps at Sugar and Appalachian in December. Remember that if they can make snow before Christmas you'll find good skiing with lower prices and smaller crowds between Thanksgiving and Christmas than you'll find in January.

See you December 2nd at the Arts Center.

Please make payment in advance by mailing a check to me or, paying at the club meeting. There will be a Chinese Auction later in the evening and that will no doubt be just one of the highlights of the night!

December Program

USC Upstate & the Susan Jacobs Arboretum

Thursday Dec. 2 at 7:30 PM

Come find out the latest in new developments at USC Upstate (formerly USCS) and about the Susan Jacobs Arboretum. Our speaker will be Bea Walters Smith, the Director of Alumni Relations and Advancement Services at the University of South Carolina Upstate. Her primary responsibility is to build strong relationships between the college's alumni and their alma mater. Mrs. Smith also promotes the Susan Jacobs Arboretum, which is located on campus. The 12 acre arboretum is located in the heart of the campus with a natural creek, a 300 seat amphitheater, and plantings indigenous to the area. We invite all garden clubs and community groups to tour our campus and the beautiful arboretum.

USC Upstate was founded in 1967 with 177 students attending classes in the basement of the old Spartanburg General Hospital. Today the University is thriving with over 4500 students on a 314-acre campus including on-campus housing, and an expanded campus at the University Center in Greenville. USC Upstate continues to be the fastest growing 4-year public university in South Carolina.

Please bring an unwrapped toy for our annual Christmas support of needy children through DSS (Dept. of Social Services).

Spartanburg Ski Club Western Trip
Big Sky, Montana
January 22-January 29, 2005

Join us for our annual adventure to the western Mountains, this year to a favorite, Big Sky, Montana. We will be flying out of Greenville/Spartanburg Airport on Saturday morning, January 22nd and returning Saturday night January 29th.

We will arrive in Bozeman and take the charter bus for the short ride to Big Sky. Our accommodations for seven nights are at Bighorn Condominiums in Big Sky. These units are well appointed 3BR/3BA that will accommodate six persons. Depending on the location of the individual units, they are 50 to 500 yards to a surface lift to get you up the mountain. All but the very novice skier will be able to ski back to your accommodations. It is an easy walk to the base of Big Sky for the restaurants and shopping.

One unit has its own hot tub. We were unable to secure a second hot tub unit due to the owner is occupying that week. The only hot tub unit is taken. Hot tubs at the Huntley Lodge are available for our use. There are two price structures for hot tub and non hot tub units:

Units with hot tubs	\$1,215
Units without hot tubs	\$1,150
Land Only hot tub units	\$ 760
Land only without hot tubs	\$ 695

Land only packages includes ground transfers to and from Bozeman to Big Sky. The flight you arrange must closely coincide with the group air schedule.

The first twelve to sign up for the hot tub units will get priority for these units. This cannot be 100% guaranteed because of rooming considerations. I would suggest that if possible each person obtain a roommate and note this on the trip application.

The price of the trip includes **six days lift tickets**. Also included is transport of your luggage to and from your lodging at Big Sky. We will also have a mountain picnic and a get together to include a meal one evening.

Optional activities will include a foray into Yellowstone National Park by Snowmobile and a Club race. More details to follow on these activities.

We have expanded the trip since the 30 available spaces were taken. We know have 5 spaces available. If you do wish to go I encourage you to sign up soon.

This is going to be a great trip and I feel a true value. Please sign up early. You will receive an application by mail and E-mail. Please note it should be returned to LTA Travel.

I look forward to talking to each of you about this exciting trip.

**Roan Mountain State Park
Friday to Sunday
February 4, 2005-February 6, 2005**

Our annual Roan Mountain weekend is set for two nights as outlined above. We have ten cabins reserved in the new section. These cabins have one bedroom and a divided loft with two double beds.

The cost for lodging for the two nights is \$190 for an entire cabin or \$33 for each “pillow”. The occupancy is six persons per cabin based on two persons per bed.

Our annual club race is scheduled for Saturday of this weekend at Sugar Mountain. Mark McCall will provide further details.

Roan Mountain requires cancellation of any cabins forty-five days before arrival. Because of this we must have full payment by December 15, 2004.

Please put this on your calendar and sign up early.
