JULY 2006

<http://www.spartanburgskiclub.org>

1) I want to go back to monthly club meetings as soon as possible, July if possible (don't think so), August at the latest. I don't want to wait till September. First I feel that we simply lose a certain feel of community if we don't meet. Second, somebody pointed out to me, that if others want to contact the club and we are not where we are supposed to be they leave and may even prevent others from coming to the art center by telling we are not there. Third it gives people that want to organize an event a chance to get up and tell everyone about it. Fourth it gives all a chance to talk about stuff and that is vital for the club.

2) Thing I'd like to have done.

- a.) Somebody needs to take over the advertising of the existence of the club. Contact the news papers especially those smaller alternate papers. Looking into having flyers printed. Getting club flag you can put on your ski poles. Have other materials done like hats or pens with the ski club logo on it.
- b.) This might be a little out but I think we should try it. There are all those walk for this and walk for that and I'd like to pick up on it. I propose to organize a walk for raising money for the Special Olympics Ski Team. The purpose is not to make money for the ski club but for the publicity. I don't know what requirement you have to meet and what permits we need.
- c.) Programs for the meetings. I liked the idea with the foreign imports and I'd like to expand on it. I think that the different ski club members should pick a ski area they would like to go to and do a little research on it and present the result at the meetings from August to February. Those ski areas don't need to be in the US. The other months they could introduce hiking areas, parks and other places or activities for the summer. Also I'd like to have a dish of the month. Like salads for July. Peaches for August. Apples for September. Cheese for October. After that maybe Christmas cookies, chilly...
- d.) For getting into shape for skiing. Julie talked to the Spartanburg Athletic Club manager about the possibility of a temporary membership for October and November. If there is enough interest it might be possible. Also I'd like to have someone explore the possibility of a Dry Land Ski Clinic. We would need somebody to get some information and a location where we could exercise. I know that there was a demo at last year's Crescent fall convention and I believe there will be one this year too. So if somebody is interested ...

3) About myself. My daily routine is. Go to work. Come home. Eat. Walk 5 miles. Change cloths. Go to the gym Take a shower. Go to bed. The only time I have is Saturday and Sunday and that is also the only time Julie is home. So I need people stepping up. Someone with experience with the media should contact them and find out to get into club listings or the monthly event column. Brian you might be the right person to find out how to organize a walk event. I'd like to have somebody talk about a ski area in August, also I ask people to bring some kind of peach dish.

Hike and Pick Blueberries

Join your Ski Club friends for a short hike into the Shining Rock Wilderness to picnic and pick blueberries. A good berry picking spot can be found after walking about a mile but you can hike further if you like. Bring your pail or cut off milk jug and lunch for a trailside picnic. The berries are expected to be nice and juicy on Saturday, August 19.

Drive north on I-26 toward Asheville. We will meet at the MacDonald's at the Skyland exit at 9:30. We will then wagon train to the Ivester Gap parking lot on the Blue Ridge Parkway.

I would like to know who is coming. Please call me at home 828 859 5500 or my cell phone 864 580 0891.

Mark McCall
