## From Your New President

Spartanburg Ski and Outing Club launches into Spring with a new president, several new board members and many returning board members. Thanks to all who volunteer their time and energy to work for our club.

Carol and I met in 1969 at a Durham/Chapel Hill ski club meeting and courted on the beginner slopes at Sugar Mountain. This was the first year for both Sugar Mountain and the Crescent Ski Council. I continue to love skiing and sharing ski experiences with friends and family.

To keep ourselves occupied till the snow falls again we have many fun activities and get togethers planned for the spring and summer. There will be baseball games, hikes, plays and many opportunities to eat and socialize.

Music on Main is a fun event and also a great fund raiser for our club. Hope to see lots of you there on May 13th.

Mark McCall

## May mini-social

The Mini Social for May 2010 will be held at the Mellow Mushroom, 464 E Main Street, Spartanburg on Wednesday May 19th at 6:30. Hopefully you'll be able to sit outside and enjoy beautiful weather with your fellow ski club members (and bring guests too if you like.) You can contact me at [patricia159@windstream.net](mailto:patricia159@windstream.net) or call me at my home (864) 472-2253 to confirm. If you have any suggestions for future mini socials, let me know.

There will be a sign up sheet at our May meeting. Pat Lee

## CLUB SHELTER

*Don't forget, the club has an "open sided shelter" available for rent at \$35 per occasion. It is 18'Wx20'L, and is easy to erect. Also available are four tables, at \$5 per table/per occasion. Bear in mind; don't have a festive occasion without the comfort of shade at extremely reasonable prices. Your guests will appreciate it, and so will the club! For rentals of the tent and/or tables contact Joy Bobo.*

## SKI CLUB NEEDS YOUR HELP

It's already another Ski Club year. Most of our Board is in place but we have a few empty chairs. Most of our existing Board has been volunteering from anywhere from 5 – 25 years now. We need YOU to help out by giving us a well-deserved break. If you have served on the Board before, you know its work mixed with a lot of fun. If you never have served it's a great experience. You will never have to do anything alone, as all the Board generously pitches in and helps each other. It would be great to have some new ideas from those of you sitting on the sidelines. If you would please just consider helping out we will be glad to hold your hand for the first year. The two positions we now have open are Special Events and Fundraising. And since I do Fundraising I can tell you the biggest fundraiser, Music on Main, is already set in motion. All you have to do is come and learn. Please give me a call if you have any interest in either of these positions or just want to learn more about the Board. Looking forward to hearing from you!

## **CSI COMES TO US IN MAY**

Do you watch CSI or any of the other crime shows on TV? Are you curious as to how realistic those shows really are? Come on May 6 to Chapman and have your questions answered.

Dr. Betsy Witt from Limestone College in Gaffney is to be our speaker. She is an Associate Professor of Criminal Justice and will help us take a look at how the system works - and how true to form those CSI shows really are to real life.

I'm thinking of those warm summer months, and some volunteers to share their homes for an evening of fun. June is spoken for, we'll take a break in July but I'd love a volunteer for August, or we may end up back in Chapman for that month.

The opposite page shows the cover of the first Newsletter produced by Taylor Bomar, in **May 1998**, obviously. I have tried to emulate this month's cover in a similar fashion. Because each of us use different programs and graphics each of us use it is impossible to replicate each other's work exactly.

The **July 1991** edition by Mariel Hunkler was the first one produced in its current format, and will appear in a future Newsletter. Both Mariel and Taylor made strides at not only improving the production and appearances of our Newsletters, but also a great cost savings, and a great big "THANK YOU" is well deserved.

The first Newsletter featuring a "colored" cover was created by Pieter Groot in **May 1997**. It too, will appear in a future Newsletter edition. Pieter's formats were different from Mariel's and Taylor's.

Our newsletters will not receive any awards from the Crescent Ski Council for good reasons . . . . they are too colorful and retain an amateurish, fun presentation. Or, stated in a different manner, they don't look like a newspaper, magazine, or, funeral pallor handout!

## **THE UNDERPANTS**

By  
STEVE MARTIN

The Spartanburg Little Theatre is presenting this comical and chaotic play by Steve Martin. Adapted from "Die Hose" it's a hilarious look at feminism, sexism and politics.

If you would like to join some folks from the Ski and Outing Club we are meeting for the Saturday May 8, 8 PM show. The club is not buying tickets, but you will be able to buy your own at the door, or make a reservation by calling 542-2787. If you are planning on going and would like to get together for an early dinner somewhere, call me at 592-3405 or E-mail me at [Tedcancom@wmconnect.com](mailto:Tedcancom@wmconnect.com).

## CALLING FOR VOLUNTEERS PLEASE MUSIC ON MAIN

Don't forget our biggest fundraiser of the year is May 13. At this time I still need at least 2 more volunteers. If you haven't volunteered in the past, please come and join us and see what all the fun is all about, and enjoy the music provided by the city. I look forward to hearing from you and knowing you support our club!

Conni Harrell, 592-3405 or [Tedcancom@wmconnect.com](mailto:Tedcancom@wmconnect.com)

---

For those of you who did not join us at the Piedmont Club on April 8<sup>th</sup>, let me now now say to you - thank you! I appreciate all of the support from club members this past year. Without you to help me, I could not have done my job as President!

I wish Mark all the best as he now takes the reigns and who, along with a wonderful Board of Directors, will work hard this coming year to insure the success of this club. Please do all you can to be there for your club when needed. As I stated at the Piedmont Club, we may be small in numbers, **BUT** numbers do **NOT** a club make! It is the people that **MAKE** the club!

## **SUBARU VIP DISCOUNT PROGRAM**

Subaru is a proud sponsor of the Crescent Ski Council (CSC) Racing program. Part of their sponsorship package this year included the VIP Discount Program for all CSC members. Qualifying members of a CSC club can purchase or lease a new Subaru at 2% below dealer cost minus any incentives which are currently being offered. To qualify you must have been a member of Spartanburg Ski and Outing Club [or other CSC club] for at least 6 months. If you are interested please notify Sam Linder of your intent to participate. Subaru will mail you the VIP information, which will include information about local dealers participating in the program. Once you have received the information you can go to a local dealer, pick out the Subaru you want, and the dealer will pull the invoice and let the purchaser know if there are any current incentives. Please take advantage of this benefit that Crescent Racing, through Ron Scott, has secured for all CSC clubs.

## **CLUB MEETINGS**

The Spartanburg Ski & Outing Club normally meets the first Thursday of each month at 7:00PM. We are located at the Chapman Cultural Center (West Wing) on East St. John Street in Spartanburg on the first floor. During the months of June, July and August, meetings are held, more informally, at different sites and times, therefore it is necessary to consult the club website or a current newsletter for time and location. April's meeting is held at the Piedmont Club.

This club does **not** provide alcoholic beverages at membership meetings, but members are allowed to bring their own (BYOB) choices of beer or wine. Over indulgence is not condoned under any circumstances. Cups, ice and some soft drinks beverages are provided. Thank you.
